

Georgia Notary Public Contact Information Change Form

All requests are directed to the notary's commissioning county Clerk of Superior Court.

Name Changes:

- **Most** counties require personal appearance for name changes; please contact your commissioning county for specific instructions (www.gsccca.org/clerks for contact information).
- Once you have received confirmation from the appointing Clerk of Superior Court (typically an amended notary certificate of appointment) and you have obtained a new seal bearing the new name exactly as indicated in the confirmation, you may officially begin signing your new name on notarial certificates.

Address Changes:

- If you have moved to another county, you remain a notary of the original commissioning county until your current term expires and may continue to use your existing seal/stamp. When your term expires, you will then apply as a new notary in your new county of residence.
